Lomond Pioneer Passes At Red Deer

John Edward Stannard of RR-3, Red Deer, passed away at Parsons Auxiliary Hospital in Red Deer on Sept. 19, 1967, at the age of 79 years.

Born in England on Dec. 12, 1887, he moved with his mother to U.S.A. in 1899. In 1906 he came to the Lomond district of Southern Alberta where he homesteaded until 1940 when he came to the Red Deer district to farm. He moved to the Fraser Valley of B.C. in 1943, returning to Red Deer in 1950 where he farmed until 1960 when he retired. Mr. Stannard served on the Municipal Council in the Lomond district for a number of years. He was a very dedicated man to his family.

Predeceased by his wife, Blanche, in 1956, he is survived by two daughters, Mrs. A. (Clara) Scott of Red Deer and Mrs. L. (Violet) Huff of Lomond; eight sons, Ray, Cliff and Joe, all of Red Deer, Bruce of Ponoka, Donald of Winfield, Russell of Dome Creek, B.C., Floyd and Ernie of Lomond; 27 grandchildren, and seven great-grandchildren.

Funeral services for the late John Edward Stannard of Red Deer were held from the Evening Chapel in Red Deer on Friday, Sept. 22, 1967, at 2:00 p.m. with the Rev. E. Olding of Red Deer officiating. Interment was in the Red Deer Cemetery.

Church Group Hears Talk On European Trip

Miss Margaret Davis was hostess to the Candlelight Circle of the Church of Christ, Sept. 14. Fifteen members and two visitors were in attendance.

The meeting opened with the singing of two hymns and prayer, led by Mrs. Eileen Nelson. Miss Janet Ware brought a most interesting devotional entitled, "History Turns In the Middle East." Roll call was answered by the ladies reading the parable of the Sower.

A news letter from missionaries William and Melba Rees of Hong Kong was read. Also another news letter from Carlton and Myrna Mullings of Jamaica was most interesting. Mrs. Mullings, who is presently visiting in Calgary, will be a guest speaker Wednesday evening, Sept. 27, at the Vulcan Church of Christ.

Mrs. Ila Turley entertained with an amusing contest, Name the Spices, which was very interesting.

Betty French spoke on the recent European trip taken by herself and husband. Lunch was served by Mrs. Nelsie Robertson, Mrs. Wilma Boutland and Miss Davis.

Until Supreme Court Ruling

Brief Urges Postponement Hutterite Purchase Decision

A comprehensive brief protesting the recent application of the Rock Lake Hutterian Brethren of Wrentham to purchase lands in the Brant district for the purpose of establishing a colony has been prepared by legal counsel of the Southern Alberta Development and Protective Association and sent to the provincial government.

Application to purchase about 5,000 acres of farm lands in the Brant district was first made in 1964 and the application was rejected by the Communal Properties Control Board. Early in 1965 the Rock Lake Hutterian Brethren filed a statement in Alberta Supreme Court asking that the Alberta Communal Properties Act be declared ultra vires on the grounds that it is illegal and discriminatory. In November, 1965, a judgement handed down by Mr. Justice J. V. H. Milvain of the Alberta Supreme Court ruled that the Act was legal and within the powers of the Alberta legislature. In 1966, the case was heard before the Appeal Court of Alberta and the appeal was dismissed. The case was then carried to the Supreme Court of Canada but its ruling is not expected to be handed down before February, 1968.

The brief now presented to the Communal Properties Control Board contends that, if the Board finds it has jurisdiction to con-

sider this matter, it should postpone its decision until after the result of the appeal of the civil action to the Supreme Court of Canada is made known.

The brief further states that although permission to form a colony has not been given, the lands concerned are in fact being operated as a colony and many new permanent buildings suitable only for colony use have been constructed.

Well Known Teacher Dies At Medicine Hat

The many Vulcan friends of the Pedersen family of Medicine Hat were shocked to hear of the death Sept. 25, of Roderick Edward (Eddie) Pedersen, following a heart attack. He was 63 years of age.

A well known high school teacher at Medicine Hat and prominent in musical circles, Mr. Pedersen had taught at the Vulcan high school in the late 1930's and many present residents are numbered among his former students. Surviving are his wife, Mabel, whose parents are Mr. and Mrs. (Continued On Page 7)

Bev Banks' Hole-in-one "Biggest Thrill"

That fellow with the big smile this week didn't inherit a fortune or win a big sweepstake, but he did experience a thrill last Sunday that was almost as pleasurable.

Golfing on the Radium Hot Springs course on Sept. 24, Bev Banks' three-wood drive off the tee on the 13th hole rolled straight and true into the hole 205 yards away for a hole-in-one, the first in Bev's golfing career and the first time this particular hole at Radium has been aced.

Golfing with Bev at the time were his wife Ethel and Mrs. Dora Willard and the hole-in-one was also witnessed by another couple, Mr. and Mrs. W. Craig of Invermere, B.C.

Bev ended up with scores of 37 and 40 in two rounds of the nine-hole par 32 course. Making the hole-in-one was "the biggest thrill of my life," he says.

Good Deeds W.I. To Raffle Quilt

The Good Deeds Women's Institute held its September meeting at the farm home of Mrs. Sam White where eight members and one visitor attended.

Mrs. Sam White, second vice-president, again took the chair this month with Mrs. Clarence Brown filling in as secretary.

The only correspondence was a thank-you card from Gwen Dingwall. Mrs. Clarence Brown gave the treasurer's report and several bills were turned in.

The annual bake sale will be held late in October. Mrs. Clarence Brown volunteered to reserve the Legion Hall. A patch work quilt top, donated in the spring by Miss Jessie Welsh will be raffled at that time. Mrs. Cecil Dennison will buy the batt and materials required, then the group will have a quilting party before the next meeting.

Following adjournment of the business meeting the ladies enjoyed a friendly visit while the hostess, Mrs. Sam White assisted by Mrs. Cecil Dennison and Mrs. Norman Whitehead served a most tasty lunch. The tea raffle was won by Mrs. Cecil Dennison.

Everybody is ignorant, only on different subjects.

John Mitchell Dies Wed.

Well known druggist John Mitchell of Vulcan died early Wednesday morning, Sept. 27. He was in his 79th year and had lived here since 1942.

Funeral arrangements had not yet been announced as the Advocate went to press Wednesday morning.

Small Enrollment

Will Van Milo Grade 12 Class To County Central

SCHOOL

COMMITTEE MEETING

With only 11 students registered in Grade 12 at the Milo School this fall, and six of these expressing a preference to attend County Central High School at Vulcan, the County School Committee has decided to discontinue Grade 12 at Milo and provide van service for Grade 12 students in the Milo district to attend County Central High.

This decision was made at the School Committee meeting held on Sept. 11. Chairman F. N. Thurber presided at the meeting, which was attended by committee members E. W. Prater, E. E. Burriss, George Moses, Earl Erickson, A. McAlister and D. A. McNiven. Also at the meeting were E. F. Bar-dock, School Superintendent, Jim O'Reilly, Maintenance Supervisor and K. H. Gatenby, Secretary-Treasurer.

The principal of the Carmangay School, Earl Brinton, interviewed the committee in respect to additional physical education equipment for individual participation of students. After considerable discussion, this matter was left in abeyance.

The School Committee received a report regarding vandalism at County Central High School on Sept. 10, 1967. A. L. Husby, principal, was present for this discussion. It was moved and carried that Morris Kerr of Stevenson, Raines, Barrett, Hutton, Seton & Partners, Architects, Calgary, be contacted and instructed to engage a contractor to repair the damages to County Central High School.

A letter from F. Terentluk, Director of Continuing Education, University of Calgary, was read requesting permission to use a classroom at County Central High School on Tuesday evenings from 7:00 to 10:00 p.m. to offer Education Foundation 492 as part of the 1967-68 Evening Credit Program. It was moved and carried that permission be granted providing they pay the janitor \$3 per evening for his services.

It was moved and carried that A. L. Husby, Principal of County Central High School, and the

school superintendent be given authority to order mechanic tools and equipment as required to offer the Automotive Course for the 1967-68 school term.

A delegation from the Vulcan Lions Club consisting of W. H. Richardson, Reinhold Lundgren and Ellwood Myers, interviewed the committee in respect to the possibility of including a swimming pool in the building program at County Central High School. This matter was tabled until further information could be obtained regarding the availability of grants for such a program.

It was moved and carried that the application from Miss Lynda G. Holm for a two-year teacher training bursary be granted.

It was moved and carried that the following teachers be appointed to the county teaching staff: Mrs. A. Minion, Arrowwood, Grade 7; Mrs. D. Willard, Opportunity Room, Vulcan; Miss Judy Befus, Milo, Grade 7; Miss I. M. Wilson, Arrowwood; B. Chisan, Carman-

gay, Grade 5 and 6; H. Barr, Milo Junior High School; Miss M. Befus, Milo, Grade 3; Mrs. R. Horne, Champion, Grade 1; Mrs. D. Johnson, Champion, Grade 5; P. Newman, Brant Junior High; Mrs. V. Booth, Lomond, Grade 1; Mrs. H. Chapman, Lomond, Grade 2.

It was moved and carried that C. Lorinczi, recently appointed vice-principal of the Milo School, now be appointed principal.

It was moved and carried that C. Wright be appointed vice-principal of the Milo School.

It was moved and carried that Mrs. Laura Stoddard be engaged as a teacher-aide at County Central High School.

It was moved and carried that the resignation from the county teaching staff of Miss I. M. Wilson of Arrowwood be accepted effective Sept. 8, 1967.

COUNTY COUNCIL MEETING

The regular September meeting of the Council of the County of Vulcan No. 2 was held on Friday, Sept. 15.

The council considered the disposal of Lot A, Block 4, Vulcan. It was moved and carried that the county call for tenders on Lot A, Block 4, Vulcan. Tenders to be received at the County Administration Building, Vulcan, until 2:00 p.m., Friday, Oct. 13, 1967. Highest or any tender not necessarily accepted.

A letter was read from E. H. Gerhart, Minister of Municipal Affairs, thanking the council for the opportunity of taking part in the official opening of the County Administration Building.

A letter was read from Senator Earl A. Hastings, thanking the council for the opportunity of being present at the official opening of the County Administration Building.

A letter was read from Jubilee Insurance Agencies Ltd., regarding revision of insurance policies in coverage on our county schools. It was decided that we wait until our school building program is completed, and have a complete revision in one year.

Frank Thurber, chairman of the school committee, reported to the council on school affairs, and gave details of the teacher and housing situation, and other routine matters which have been dealt with. It was moved and carried that the PFA applications forwarded to Regina on Sept. 12, 1967 be approved.

It was moved and carried that the nomination meeting to receive nominations for the 1967 county elections be held on Saturday, November 4, 1967 at the County Administration Building, Vulcan, from 3:00 to 4:00 in the afternoon.

It was moved and carried that C. H. Andrews be appointed returning officer to conduct the 1967 county elections.

It was noted that the Municipal (Continued On Page 7)

Services Held Tuesday For Mrs. Mary Lecuyer

A well known former Queens-town resident, Mrs. Mary Jane Lecuyer died at Vulcan on Sept. 22, 1967, at the age of 87 years.

Born in Maddock, Ont., she came to the Queenstown district in 1942 and resided there until retiring to Vulcan in 1966. She was a member of the United Church and of the Rebekah Lodge at High River. Surviving is her husband, Paul Lecuyer of Vulcan.

Services were conducted by Rev. W. Dormer at the Vulcan United Church on Tuesday, Sept. 26, and interment was in Mountain View Memorial Gardens, Calgary.

Active pall bearers were Lawrence Smith, Vern Smith, Jesse Lahd, Orden Lahd, Hugh Winch and Ivan Winch. Honorary pall bearers were George Heather, Alf Heather, Don McCord, Sam Francis, John Bartsch and George Elder.

The Vulcan Funeral Home was in charge of arrangements.

Daughter Of Early Arrow'd Minister Honored By Blackfoot Anglican WA

(By Arrowwood Correspondent)

Miss Dora Stocken, daughter of the Rev. Canon Stocken, who served the Blackfoot Indians for 38 years, visited in the Arrowwood community during the past week as a house guest of Mr. and Mrs. Milt Ward.

The Blackfoot Anglican W.A. held a special meeting in her honor and she was able to meet many of the older Indian women whom she remembered from her early years. Mrs. Water Chief presided at the meeting which was held in the library of the Old Sun School. Miss Stocken was disappointed to find that the people no longer use their Blackfoot language in their service of worship.

Canon Stocken, in collaboration with Archdeacon Tims, gave the Blackfoot a written language and the scriptures and book of Common Prayer were given to the people in Blackfoot.

Miss Dora Stocken now resides in Victoria, B.C., but plans to retire soon. She hopes to be able to spend more time with the Blackfoot people with whom she grew up on the reserve.

Early in her teaching career Miss Stocken taught at the Giffen school in the Majorville district. At that time the agency was on the flats and she used to ride from the Giffen school to her home at the Blackfoot agency.

Three hundred and forty-seven students attend school in Grades 1 to 7 with 12 classrooms, two opportunity rooms, library, art room and gymnasium in full use.

MEN ON STAFF. The male side of the teaching staff at Hazel Cameron Elementary School is shown above. From the left are Jess White, Earl Hughes, Gary Hill and Del Olsen, principal.

HOT AND HEAVY. This game of football, even at the high school level, is not for the meek and a peek at nightly workouts by the CCHS Cougars at the school will

bear out this fact. Above, two lines face each other during field goal practice and though all are teammates, they don't spare the leather when the ball is snapped.

Out of uniform they're the boy on the next farm or down the street, but under the pads you get the feeling you'd be eaten up if you foolishly wandered into the action.

Cougars Defeat Ft. Macleod

(By Patsy Husby)

The second game for CCHS in the Western Football League took place Saturday, Sept. 23, at Fort Macleod. The ground attack of the Cougars was entirely too much for the "green and white" boys from the Fort and resulted in a 66-0 score for County Central.

The high scorer for CCHS was Ken Weber, who made four of the ten touchdowns. Murray Markert

and Randy Carruthers each got two touchdowns, while Craig Haga and Brian Lebsack picked up one each. Two converts were kicked by Brian Lebsack, two by Dave Matlock and one by Randy Carruthers. Randy also made a rouge, good for one point.

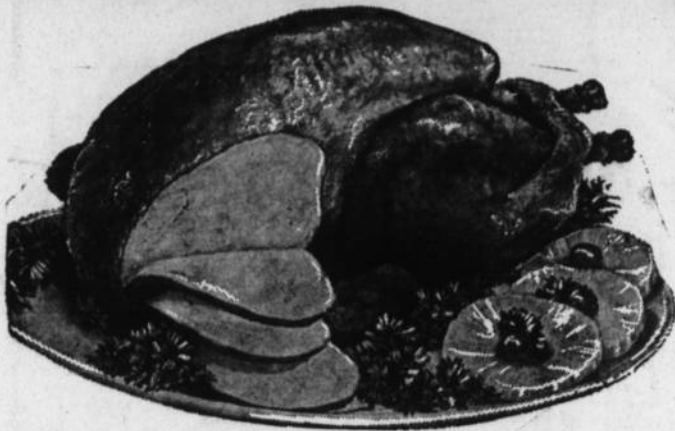

For Fort Macleod, Brian Martin, Larry Zehanoviz and Dale Reid deserve credit for their hard work in a losing battle. Coaches for the

Fort were Doug Pinder, Bruce Young, Ray Major and Roy Penoyer. The Cougars coaches were Don Beggs and Dave Philpot.

A special thanks goes out to the CCHS cheerleaders and all those spectators who travelled to the Fort to cheer our team on. The Cougars' next game is with Raymond on Sept. 30, at Raymond.

Next local appearance will be Oct. 7, against Coaldale.

JOE BENOIT

DENNIS BURTON

Award Wheat Pool Bursaries

The Scholarships Awards Committee of the University of Alberta has announced the winners of the Alberta Wheat Pool's two 1967 Bursaries for rural students. They are Dennis R. Burton of Champion

for Southern Alberta and Joseph S. Benoit of Lloydminster for northern Alberta.

The bursaries are awarded annually for one student in southern Alberta and one in northern Alberta and are valued at \$500 per year each, for a period up to five years of undergraduate study in an Alberta University. They may be used for any degree course but all other things being equal preference is given to students taking agriculture or allied courses. Recipients must be the children of parents whose main income is derived from farming.

Dennis Burton of Champion is the eldest of a family of three boys and one girl, all of whom are musical. He went to school at Champion and Vulcan where he graduated from grade 12 with a high standing. He has entered the faculty of arts and science at the University of Lethbridge.

Joe Benoit is the seventh in a family of 17 and has lived on a farm all his life. His father homesteaded at Lloydminster in 1904. All Joe's older brothers and sisters have graduated from high school and three have already entered university. Joe is now taking Agriculture at the University of Alberta. Besides having an outstanding academic record he has also distinguished himself at track meets and as a basketball player.

Number One!

Number One!

Come now... just how many "best" beers can there be? Well, most of our customers think there's only one. Some say it's our bold, brawny Lethbridge Lager. Others contend it's Lethbridge Pilsner our traditional beer, naturally-aged the old-fashioned way. What do we think? Well, both are quality brewed, and we don't want to get caught in the middle of an argument like that. That's why we say that Lethbridge Lager and Lethbridge Pilsner are the two best beers in the house.

Dear Homemakers:

ACCENT ON ACCESSORIES

Being smartly dressed is more than just an attractive dress or suit. It's often the accessories which make the outfit. Therefore, it is necessary for us to have a wardrobe plan. In that way, accessories chosen for one outfit are not limited to that outfit, but can be worn with other garments in the wardrobe. In planning your accessories, consider the following.

- What color accessories will fit best into my wardrobe plan?
- Am I trying to include too many colors?
- Is there harmony of idea in my accessories?
- Are my accessories classic, or will I be able to wear them only one season?

LINING A SKIRT

Have you been sewing lately? If so, the problems of lining winter fabrics may be uppermost in your mind.

Why line a skirt? Basic straight cut skirts are usually lined to prevent sagging, stretching and wrinkling when they are worn. Not only does the underlining provide the skirt fabric with body but it also eliminates and irritations from scratchy, harsh fabrics. For a smoother appearance and a more comfortable fit, by all means, ladies, line your skirts!

Consider the weight of the skirt material when choosing lining.

A lining that is lightweight, firm and pliable will ensure best results. The color of the lining should match the skirt but if in doubt, select a lighter color.

Use the skirt pattern for cutting the lining. Take care to eliminate excess bulk in pleats or unnecessary seams. Check to be sure that the lining is on the straight of grain and that it has been pre-shrunk before cutting.

THE METHODS USED FOR SEWING LININGS ARE THREE-FOLD

- 1 "True underlined garments"—the lining is sewn as one with the skirt fabric.
- make markings only on the lining.
- place the lining on the wrong side of the fabric; diagonally baste the two pieces down the side seams, centre front, and across the top.
- staystitch the basted pieces across the top and about 10" down each side seam to prevent stretching.
- sew darts as one—but first baste down the middle of the dart to hold the fabric firm.
- sew front and back side seams; be sure to hold the four layers of fabric taut—this will prevent puckering.
- in hemming, the fabric may be hemmed directly to the lining or the lining can end right at the top of the hem.
- 2 "Lining Sewn Separately"—Make marking on both lining and fabric material.
- staystitch each piece.
- sew darts and side seams separately.
- join the separate skirts at the waistline.
3. "Partial Linings"—Length of the lining comes to just below the hips.
- lower edge must be perfectly flat.
- method of construction may be either No. 1 or No. 2.
- not as advantageous as No. 1 or No. 2 for same amount of work and little less cost.

Do try all three methods and find the one most suitable for you!

FROM OUR CORRESPONDENTS

DINTON

Mrs. I. M. Raycraft and JoAnne attended a Math Council Conference at Red Deer, on the evening of Sept. 15 and the following day. While there they were guests of Mrs. Raycraft's niece, Linda Waldo. On Sunday they visited with Dr. John V. Meyer and family of Westlock, and while motoring through Lacombe visited with her brother and his wife, Mr. and Mrs. Earl Giles and family and also Mr. and Mrs. B. White-side (nee Carol Willoughby). She reported harvesting was mostly completed in the district and that yields were better than expected.

Mr. and Mrs. Les Williams visited friends in the district, at the homes of Mr. and Mrs. Milt Brunskill and Mr. and Mrs. I. Raycraft. She is the former Agnes Bresnahan, and they now live in Kamloops, B.C., where Les is maintenance man for B.A. oil.

Mr. St. Clare of Calgary is presently a guest of his granddaughter Mrs. A. Montgomery, her husband and family.

Miss Florence Cannon of High River left this week for a visit with a brother in Saskatoon.

Miss Pat Bird, RN recently flew to New Brunswick for a few days holiday before going to Kingston to continue her career of nursing.

Continued get well wishes from the district go to Calvin Lowry, Carl Litchfield and Chas Spangler, all in the General Hospital.

Recent guests of Mr. and Mrs. Herb McWilliam and family were her sister, Mrs. Doris Phillips and daughter Lynda of Edmonton.

Mrs. Alice Feddema of Calgary was a recent guest of her brother, Mr. and Mrs. Clarence Laycraft.

Mr. and Mrs. Rod Johnston attended the Christening on Sunday of their grandchild, Patti Lynn, daughter of Mr. and Mrs. Walter Hubarewich of Calgary.

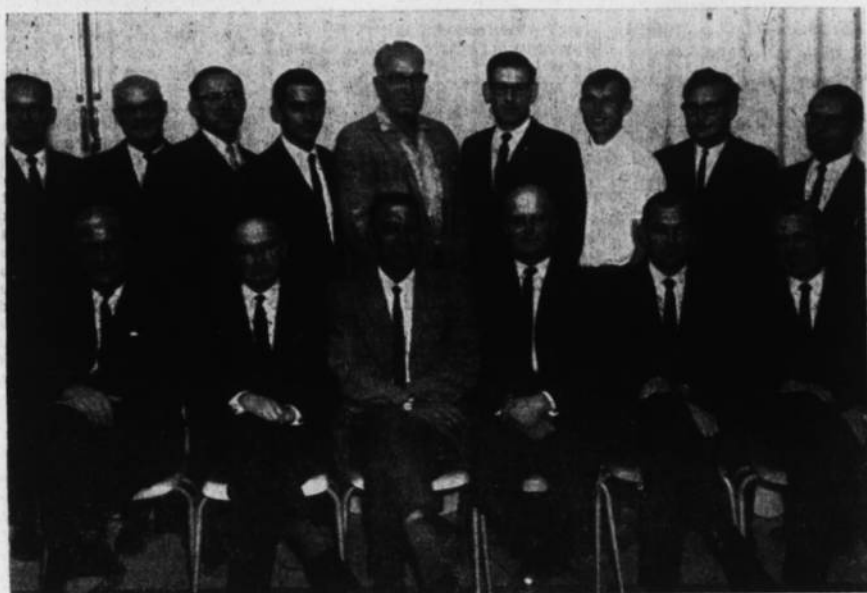

We are very sorry to hear of Mrs. Stan Gillanders misfortune of breaking a bone in her ankle while on the train on the way to Expo, confining her to a wheel chair, and curtailing her Expo tour. She has now found out her heel bone has been damaged, and will be confined to the General Hospital for a time. The district wishes you a speedy recovery.

Miss Norma Raycraft has finished her Nursing Aide course, and is home for a holiday before starting her nursing career.

Good wishes for success go to all the young people from the district who are leaving or left to further their education, these include Linda Bird and Jim Litchfield to the University of Edmonton-Thurber and JoAnne Raycraft to

Service Beyond Price

There was a time when a railway gave a good deal of free service to those who needed it and who rarely, if ever, expressed their thanks.

There was a case in point ten years ago. Someone driving an automobile tried to knock down a church and five people went to hospital, of whom two were painfully, if not seriously, injured. This was at the start of a continent-wide trip and the two people decided that there was no one at home to look after them as they had better proceed and give their little boys as good a holiday as was feasible.

There was confidence that the railway would look after them. The railway did pretty well, including having a night attendant in their sleeping car who admonished the man not to delay too long in getting up before arrival at Winnipeg. This philosopher said: "Birds that fly slow should start early." At Winnipeg there was a reception committee consisting of a man to wheel a chair and an assistant passenger agent to help all around.

The only place where the railway fell down was in a big hotel at Calgary where it was found that the Stampede, and the site thereof, could not be moved into the corridor, let alone the lobby. However, it was there that the little boys ventured on their own to the Stampede grounds and, strange as it may seem, their strongest and most lasting impression was of a barker who warned them that pepper would kill mountain goats.

A trip through the mountains was as comfortable as it would have been if the passengers had not been suffering physical ailments. The man on crutches almost made one serious mistake. There is no give to crutches and the lurching of the train might have caused disaster in the dining car. Once tried it was neither repeated nor forgotten.

It was a successful trip. It is well to remember in these times when passenger trains are becoming only memories that there was a day when travel by train was the great adventure.

Give With Confidence

Whether you're a businessman, farmer or ordinary householder, you are probably called upon several times a year to contribute to some charity or fund. Most of these appeals are for well known and legitimate causes and we contribute year after year knowing that the funds raised by these appeals are well administered.

But sometimes fund-raising campaigns are conducted for causes that are not well known and the donor really has no way of knowing if the dollars he contributes end up where they should or if too large a percentage of the amount contributed is used up in administration costs.

The new Public Contributions Act requires organizations to establish the validity of fund-raising campaigns within the province and makes obligatory the recording of four facts which every donor has the right to know about any charitable fund: the purpose of the campaign, the financial objectives, the cost of fund-raising, the net proceeds and their distribution.

Under the provincial Act, any organization or individual conducting a campaign for charitable purposes with an objective of \$250 or more is required to apply for authorization to canvass for funds.

The Act does not apply to the soliciting of funds by an organization only from members and their immediate families, such as in the case of churches and schools.

It's nice to know that there is now a measure of protection against campaigns for fake charities; that you can now give with confidence.

Act provided for the appointment of deputy returning officers and enumerators to act in municipal elections. This matter was discussed and it was felt that in the event elections were held the reeve could make the appointments under the municipal act.

An application was received from the Department of Agriculture, Water Resources Division, requesting permission for R. O. Allen to construct an additional dam on the N.E. 17-18-22-4 to be used for the raising of trout. It was moved and carried that R. O. Allen and a representative from the Water Resources Division attend the next council meeting on Oct. 13, 1967, to discuss this application further.

A representative from the Old Man Regional Planning Commission interviewed the council, and advised them of the long range plans being drafted for the future development of the Town of Vulcan. The council was very interested in the proposed changes and thanked him for the opportunity of being informed.

Ivan Haga, chairman of the municipal committee reported to the council on the activities of

the municipal committee. It was noted that the paving program for this year has now been completed and construction of other roads begun.

R. S. Irwin, chairman of the agricultural committee reported to the council on the activities of the committee since its last meeting. It was noted that the next Agricultural Committee meeting would be held on Thursday, Sept. 28, at 10:00 a.m. in the forenoon.

The secretary-treasurer presented a gavel on behalf of John Perley, school maintenance man, for use in the new council chambers. The reeve and councillors were very pleased and extended a vote of thanks to Mr. Perley for this fine piece of workmanship.

LETTER TO EDITOR

Editor, The Advocate:

May I address this letter to the citizens of Vulcan?

Here are a few answers to the questions I have been asked so many times the last few days because I am running for mayor of the town. No, I'm not in business

for myself and if I was I would probably be afraid to speak or do something because of loss of business. But I could be in anything, wood, cement or iron business, you name it, I could do it.

Then they ask me if I want to go in to raise the devil with the town foreman. Well, we had some disagreements but bygones are bygones. Let me tell you, if I am elected I will go after every town employee if necessary. But most of all I will go after the councillors because I think they lack in most instances. Every committee should look after the part it is appointed for and show more interest in the projects and I would like to see more information about meetings and projects published in the Advocate. I could

go on and on but like to leave some room for my opponents. The way they beef in town there should be at least six candidates for every chair coming open. Thank you for your attention.

—Adrian Broere,
Candidate for Mayor.

C.W.L. MEETING

The September meeting of the Champion C.W.L. was held after Mass on Wednesday, Sept. 20, in the lower church.

Father MacCallum opened the meeting with the Apostles Creed. Mrs. Linda Veillet was welcomed as a new member. Father MacCallum spoke briefly on the Family Life Institute, to be presented on Thursday evening of November.

Catechism will resume this month with the following teachers, Father MacCallum, Mrs. G. Ellis and Mrs. W. Matlock.

Greetings will be held on the third Wednesday of each month instead of the fourth. Plans were made for the usual Rummage and Bake Sale in October.

Mrs. Peggy Bach and Mrs. Racille Ellis served lunch. Winner of the hostess prize was Mrs. Hunziger.

HOME AND SCHOOL ASSOCIATION

The regular meeting of the Home and School Association was held on Sept. 18 with the president Mrs. D. Pitcher in the chair. It was well attended by parents and teachers.

Plans to send a delegate to the Home and School convention in Edmonton on Nov. 23 will be discussed more fully at the next meeting. The topic of the convention will be "The Scheme of Things." A president is also to be nominated for the Alberta Federation of Home and School Associations.

Proceeds from the bake sale held in May and the concession stand at the track meet totalled \$124.16. This money was raised to buy the athletic crests and ribbons.

Following the business routine, the meeting was turned over to the program committee who proceeded to introduce the teachers to the audience. Every teacher and President Arvilla Pitcher were presented with corsages. Following this, the committee consisting of Racille Ellis, Edith Griffin, Alyce Close and Virginia Smith sang an amusing song about the teachers.

The school superintendent, Mr. E. Bardock, was introduced by the president as guest speaker. His topic was "The Changes and Problems in the Education System of the County of Vulcan" notably the Semester System which Mr. Bardock explained to the parents. He also spoke briefly on the progress of the Opportunity Class and of its many advantages to the County. After discussing different methods of education Mr. Bardock ended his talk with the question, "Is it a matter of catering to the normal child or to the individual boy or girl?"

The meeting was concluded with lunch being served by members of the executive.

Grade one won the \$5 prize for having the most parents present.

ATHLETIC AWARDS

At the Home and School meeting held on Sept. 18 President Arvilla Pitcher presented the following students with crests for their athletic achievements at the track meet held on May 26:

David Bach, Colleen McGimpsey, Leslie Rhodes, Sharon Long, Marjorie Hagg, Leslie Jordan, Brent Smith, Beverley Lebsack, Mary Kay McLean, Gail Hagg, Alvin Vaage and Glen Fath.

COUGAR FANS. Any self-respecting football team has a dozen or so cheerleaders and County Central High School Cougars of the newly formed school football league, are no exception. Twenty-seven girls, under the guidance of Joanne Ulrich, have been practicing almost as hard as the boys and are taking an active and valuable part in home and away games and prettying-up the landscape considerably. From the front above are Barbara Webber, Leah Lucas, Judy Hubka, Lynn Scoble and Trudy Fisher.

Agriculturist**SOIL TEST NOW**

October is the month when we should soil test fields that will be cropped next spring. Usually the soil temperature has fallen to a point where significant nitrogen fixing bacterial action has, for practical purposes stopped.

Soil test kits and soil test probes are available from this office. Phone or write if you can't get in to Vulcan during business hours.

The advantage of October testing, is quicker service at the lab which means that your sample results will be returned earlier. Generally, the earlier you know what fertilizer you will need for next spring, the larger discount you can obtain from your fertilizer dealer.

If you have questions about your fertilizer program, get in touch with this office, we'd be glad to help.

PROPER FERTILIZER APPLICATION IMPORTANT

To obtain the highest returns from your fertilizer investment, make sure the fertilizers are spread evenly across the entire field. Improperly applied fertilizers can lead to such problems as uneven crop growth and uneven ripening with their attendant harvesting difficulties. To avoid these and other problems, check your application equipment, particularly broadcasting applicators, before applying fertilizers.

Farmers and custom operators should not take the information provided in equipment operating manuals too literally. The "cyclone" type applicators are more inclined than other types of applicators to spread fertilizers unevenly. Although manufacturers may claim that a machine can spread these chemicals over a 40-foot width, this claim should be checked in the fields. The pattern of distribution across the width of spread is also very important. Some overlapping may be necessary to provide an even distribution. I would suggest driving the fertilizer equipment across a roadway or some other area a number of times so that the spread pattern can be readily observed. Make sure that the revolving pans are travelling in the right direction.

The seed-drill type of fertilizer spreader is also vulnerable to the uneven application of fertilizers. It should be checked regularly for wear, corrosion, plugged outlets, etc.

The calibration charts that accompany fertilizing equipment should always be checked against actual field and fertilizer conditions. Even fertilizers of similar analysis do not go through the applicator at the same rate, and some fertilizers can be affected by high relative humidity such as is often encountered on a foggy or rainy day. We should be so lucky to have fog and rain.

WILL YOU HELP? Many Korean children must face the biting wind of winter half clothed and underfed, their home an unheated shack. Tuberculosis takes its toll of these under-nourished bodies, and Korea has the highest TB rate in the world. Through the Unitarian Service Committee one dollar can supply a child with a bowl of barley for 13 days or milk for 3 months. Despite enormous strides forward more than 20% of the Korean people still urgently need assistance, particularly the young, the sick and the very old.

Girton is visiting relatives and friends in the district.

Mr. and Mrs. Chester Thompson and Mrs. Rosa Anderson motored to Innisfail over the weekend to attend the christening of their grandson Wade Douglas Maldaner.

Friends of Mrs. Laura Sutherland were sorry to hear that she is a patient in the Vulcan Hospital. Best wishes for a speedy recovery are extended here.

Gwen Monner was the guest on Friday evening of June Sinclair.

Mrs. Ed. Fitzpatrick visited friends at Salmon Arm, B.C., last week.

Mr. and Mrs. Ted Kiemele and family of Rumsey spent the weekend with the Sandy Henry family. Mr. and Mrs. Avery of Bassano and Mrs. Rose Greaves were also guests Friday evening for supper.

A family re-union was held Sunday at the home of Mr. and Mrs. Hugh Winch with all the family attending except the ones from Edmonton.

The wisest penny we know.

We call it a power penny. In the past 20 years it has become "blue chip" currency — for it's the only kind of penny that has doubled in value. Every home maker can live like a queen (even without a butler or maid) with electrical servants like these.

From Math. to Social Studies — you can learn a lot in 5 hours of study. Cost? Just one power penny.

A power penny gives you a warm bed for a night.

Your power penny keeps you up to the minute and in time with the world for 2 days.

A portable heater and a power penny give you half an hour of snug warmth.

One power penny, one chicken — a gourmet's delight!

LOMOND

Norman Hammer has moved into the home formerly occupied by Mrs. Phyllis Pytlarz.

Unless more interest in the Home and School can be activated the Association will be discontinued according to the circulars received in the mail recently. At present they have no executive and without this it is impossible to carry on. If the Home and School could help in getting the required teachers for Lomond and things such as this, no doubt it would have no difficulty carrying on. It does seem a shame to have a school equipped with Home Ec and Shop materials and the students not to have the opportunity to use them. Physical Education is also needed.

Friends will be pleased to learn that Mrs. Florence Hart returned home from the Municipal Hospital at Lethbridge last week.

Mrs. J. W. Chambers has returned home from a trip to Expo and visiting relatives in Ontario, Manitoba, etc.

Mr. and Mrs. Hirst Goldthorpe left last week on a trip to Ottawa

to visit Mr. and Mrs. Gordon White, while there they will also visit Expo.

Frankie Ruppert, a student at the University in Calgary spent last weekend at the home of his parents, Mr. and Mrs. Pete Ruppert and family.

Belated expressions of sympathy are extended to Mr. and Mrs. Jack West from their many friends in Lomond and district and all members of the family of the late Harry Clark who passed away in Lethbridge on Wednesday, Sept. 13 after a lengthy illness.

Mrs. Phyllis Pytlarz left last Monday, Sept. 11, for Vancouver, where she will now make her home.

Mr. and Mrs. David Sande were visitors in Calgary on Sunday of last week.

Deepest sympathy of friends in Lomond and district is extended to the Stannard and Huff families following the death of the late John Stannard of Red Deer.

Leslie Armstrong, University student in Calgary spent the weekend visiting at the home of his

COUNTY SEAT. The beautiful old poplar, above, either by design or request, was preserved in the construction of the new County Administration Building, and though it partially hides the new extension of the building, its

beauty and shade will bring pleasure for years to come. The photo shows the old county office and the long covered entrance to the new premises is to the right of the car near the tree. About the only facet of the expansion that

missed the deadline was the lawn which was planted but in the turmoil of moving and opening day a few watering assignments were missed and so was the lawn.

from Medicine Hat also visited at the Clark home.

Mr. and Mrs. Clarence Brown took in the Indian Rodeo at Sarcee Saturday.

Mr. and Mrs. Clarence Brown are visiting a few days this week with Mr. and Mrs. Ed Rutschke at Bassano.

Friends of Mr. and Mrs. Stuart Walbauer of High River will be interested to hear they have another baby boy born on Sept. 18.

The Good Deeds W.I. Ladies held a baby shower for little Monica Nobert at the home of her parents Mr. and Mrs. Ernie Nobert on Tuesday of last week. Mrs. Nobert opened the many lovely gifts and thanked the ladies. A nice afternoon was spent visiting. A tasty lunch was served by some of the members, Mrs. Lena Brown, Mrs. Nellie Hutton and Mrs. Dianna White.

STEWART — GREAVES

Summer Wedding For Leslie Greaves, Majorville Bride

Northminster United Church, Calgary, was the scene of a recent summer wedding when Miss Leslie Greaves, daughter of Mr. and Mrs. M. Leslie Greaves formerly of the Majorville district and John Michael Stewart, elder son of Mr. and Mrs. Jack Stewart of Calgary were united in marriage. Rev. R. M. Moriarty officiated.

Escorted to the altar by her father, the bride chose a white floor-length gown of leaf-sculptured satin with tulle-point sleeves. The skirt was fitted in front and draped into a bouffant effect at the back. Her shoulder-length veil was held by a circular crown of iridescent and pearls. She carried a cascade bouquet of deep pink sweetheart roses. Miss Rhonda Greaves was her sister's maid of honor, and Misses Cathy McFarlane, cousin of the bride and Sharon Mustard, were bridesmaids. All the attendants' gowns were made by the bride and were fashioned in rose peau de elegance in a fitted Empire style en train. Their small rose veils were held in place with tiny iridescent tiaras. They wore white lace gloves and carried bouquets of white carnations tied with rose ribbon the same as their gowns.

Mr. Colin Looker was best man and Messrs. Bill Sharp of Vulcan, cousin of the bride, and Ricky Jones of Sidney, Nova Scotia, cousin of the groom, acted as ushers. During the signing of the register, Mrs. Amy Anderson sang, "The Wedding Prayer."

Following the ceremony, a reception and dance for 100 guests was held in the Fiesta Room of the Beacon Hotel where Ernie Heather, formerly of Milo, was master of ceremonies. Murray McFarlane, uncle of the bride, proposed the toast to the bride to which the groom ably responded. Bill McFarlane of Victoria, B.C., uncle of the bride, proposed the toast to the bridesmaids, and also asked the blessing before dinner. Murray Greaves was in charge of the guest book.

For a honeymoon trip to the Okanagan Valley, the bride chose a pink knit three-piece suit with white corsage and accessories. The couple will make their home in Calgary.

Out-of-town guests included the bride's grandparents, Mr. and Mrs. J. McFarlane of Victoria, B.C. and others from Sidney, Nova Scotia, Bassano, Rolling Hills, Rumsey, Vulcan and Majorville.

A REMINDER. While not wanting to strike fear into the hearts of summer-loving residents, the above photo gives some idea of what may be in store during the next several months, though not

to the same degree, we hope. The picture was loaned to the Advocate by Mrs. Boose and described vividly the most desperate stage of the end-of-May blizzard that did so much damage to Southern

Alberta. In another respect though, the storm proved a God-send as the resultant abnormal sub-surface moisture is believed responsible for carrying this year's crop through the almost completely dry summer.

BRANT

Congratulations go out to Mr. and Mrs. Stewart Walbeaur on the birth of their son Tracey, weighing 7 lbs., 4 oz., born in the High River Hospital on Monday, Sept. 18.

Mr. and Mrs. Phil Percival of Cloverdale, B.C., were visiting for a few days with Mrs. Percival's brother and sister-in-law, Mr. and Mrs. Fred Payce and boys.

Miss Leona Jorstad recently returned from a two-week trip to Expo. She was in company of the Cayley High School group and supervisors. They travelled via CN from Calgary. They took some interesting side trips while there, a trip to Ottawa, Quebec City and a tour of Montreal. The group arrived back in Calgary Saturday, Sept. 16, and then to High River by chartered bus. Leona reports a wonderful time was had by all. Mr. and Mrs. Clayton McLennon and girls were weekend visitors at the home of Mr. and Mrs. D. A. McDonald.

Mr. and Mrs. Geo. Fox of Nanton were Sunday visitors at the home of Mr. and Mrs. O. Jorstad. Mr. and Mrs. Tom Boucher of Calgary who have just returned from a trip to Expo, Montreal, were visiting at the home of Mrs. Boucher's parents, Mr. and Mrs. P. Gallagher on Sunday.

Mr. and Mrs. Jim Johnson of Delbourne, DeWinton, Travers, Pincher Creek and Mr. and Mrs. John French of Vulcan were visit-

ing at the home of Mr. and Mrs. Alex Elluk on Sunday.

A warm welcome is extended to new families in the town: Mr. and Mrs. Marvin Arneson and baby, Mr. Arneson being the grain buyer for National Grain Co.; Mr. and Mrs. Les Willet and family in the mobile home — Mrs. Willet is a sister of Clarence Stabler and is helping in the store; Mr. and Mrs. Chas. Sjogren and children who have returned to Brant and live in the Searle Grain Co. residence; Mr. and Mrs. Wayne Green who are on the teaching staff and who reside in their new mobile home at the school; also Peter Newman of England who is teaching at the school.

GRASS FIRE

The Wilbur Dudley farm, seven miles west and two miles south of Brant was the scene of a grass fire Sunday afternoon. The fire appeared to have started from burning garbage. Mr. and Mrs. Dudley and family reside in High River and were away at the time.

The Jordons, neighbors to the south noticed the fire and turned in the alarm immediately. The High River fire truck responded to the call. The fire burned through the grass in to where the machinery stands and on into the stubble field north of the house, out onto the roadway, crossing the road into a barley field owned by Irwin Young who was combining in it at the time. The fire was under control before reaching the swaths.

Mrs. C. L. Sales and Mr. and Rose Ann Findlay attended Mrs. Harry Sales of Calgary were "frosh" university weekend at Friday guests at the A. Sales' Calgary and was a guest of home; Mrs. C. L. Sales remaining Charlotte Koole, who is in training at the Foothills Hospital.

BRIEF ITEMS OF LOCAL INTEREST

Recent guests at the home of Mr. and Mrs. George Eamor were Mr. and Mrs. Louis Burque of Fredrickton, N.B. Mr. and Mrs. Dennis Vian, Mr. and Mrs. Cam Campbell of Edmonton and Mr. and Mrs. Jack Shaw of Calgary.

Mrs. Florence Fitzpatrick is spending the week at the Red Deer home of her son-in-law and daughter, Dr. and Mrs. Ian Younger.

Mrs. C. L. Kuykendall and Miss Janet Ware left on Friday for Calgary where they boarded a plane to attend Expo in Montreal.

Mr. and Mrs. Merv McIntyre of Great Falls, Mont., were weekend guests at the LaRoche and Sales homes.

Friends here of the Eddie Pedersen family of Medicine Hat were shocked to learn Monday of the sudden death of Mr. Pedersen the previous evening. Mr. Pedersen was at one time on the teaching staff of the local schools. Deepest sympathy is extended to Mrs. Pedersen, the former Mabel McPherson, and her family.

Mrs. David Halliday and two small daughters arrived by plane in Calgary from Belfast, Ireland on Sunday to join Mr. Halliday who is employed by the M-J Electric Company here.

Mr. and Mrs. Don Decker and small daughter left at the weekend to make their home at Lethbridge where Don plans on taking a welders course.

Mrs. H. H. Mumby and Carol accompanied Larry Mumby to Edmonton at the weekend where Larry entered the University of Alberta.

Mrs. J. L. Findlay entertained at a family birthday dinner on Sunday in honor of her daughter Fay who recently entered the Foothills University Hospital at Calgary, to begin her nurses' training. Among those from out-of-town for the occasion were Mr. and Mrs. Ed Nelson of Red Deer and Cliff Bateman and Rene Townshand of Calgary.

Friends of Mrs. Alma Drummond will be sorry to learn that she has recently been a patient at the local hospital. While she was hospitalized she was visited by her grandson, Cpl. Marlin Setter of Chilliwack, B.C.

Friends of George Christofferson will be interested to learn that he has gone to Edmonton, where he will attend the University of Alberta.

Recent guests of Mr. and Mrs. G. A. Dahl were the former's brother, Victor Dahl and family of Prince George, B.C., Mr. and Mrs. Murray Dodge of Nova Scotia, and Mr. and Mrs. Vic Scott and Norman Long of Edmonton.

Mrs. Irma Middleton and Mrs. Phyllis Erickson left the first of the week to attend Expo.

Mrs. Robina Hutton, who has been caring for Mr. and Mrs. Ross Clark for a considerable time, has accepted a position as housekeeper at the Bob Johnston home. Mrs. Johnston has left to attend the University of Alberta at Calgary to study for a teacher's degree.

Baptismal services at the United Church on Sunday gave the names Myrna Lynn to the infant daughter of Mr. and Mrs. Ted Wylie and the services were also attended by the baby's grandparents, Mr. and Mrs. Cyril Richards of Pincher Creek. The baby son of Mr. and Mrs. Jim Spaeth received the names Leon Leroy; and the small son of Mr. and Mrs. Richard Lebsack was baptized Vincent Richard.

Godparents were Mr. and Mrs. John Graham. Present for the Lebsack service were the grandparents of the infant, Mr. and Mrs. Charlie Lebsack of Calgary and Mr. and Mrs. Harold Hansen of the Vulcan district.

Great-grandparents, Mr. and Mrs. Elmer Hansen of Calgary were also guests. Mrs. Richard Lebsack entertained at a family dinner to mark the event, at the home of her parents. Rev. and Mrs. W. Dormer and Mr. and Mrs. Norman Lebsack were dinner guests also.

Friends of Mrs. Mae Spaeth will regret to learn that she is presently confined to the local hospital.

Mrs. Hazel Mainland, who spent the summer at Arthur, Ont., and other eastern points has returned to her home in Vulcan.

Mr. and Mrs. Ted Hill of Calgary were Wednesday visitors at the home of the former's sister, Mrs. Florence Fitzpatrick.

Mrs. Attridge and son have moved into the house formerly occupied by Mr. and Mrs. C. Guy.

Miss Edith Boose is presently a patient at the Vulcan Hospital.

Recent guests at the Burnell Drummond home were Mr. and Mrs. Sam Flintland, Mr. and Mrs. Howard Burrell and Mrs. Opal Drummond, all of Calgary and Mr. and Mrs. Dwight Williams of Teasdale, Utah, visited with the former's aunt, Mrs. Maude Snow at the Drummond home.

Friends of Mrs. Percy Clark will regret to learn that she was admitted to the local hospital the first of the week.

Mr. and Mrs. Blaine Parker and Andy, who have been visiting for a few days at the home of the former's parents, Mr. and Mrs. H. S. Parker of Ensign, have now returned to their home at Cranbrook, B.C.

H. S. Parker of Ensign is a patient in the High River Hospital and friends wish him a speedy recovery.

On Monday evening, Sept. 18 a group of friends gathered at the home of Mr. and Mrs. Doug Smith for a surprise party in honor of their silver wedding anniversary. The minister who married them 25 years ago was there, accompanied by his wife, to wish Doug and Muriel God's blessing into the future.

— OPEN HOUSE —
